Empowering Financial Inclusion with AI-Powered Character-based Solution

Crendly is revolutionizing the future of lending with its proprietary predictive data that reveals a deeper understanding of borrowers.

Crendly Marketplace

Crendly Check

What we offer

Crendly leverages cutting-edge technologies to broaden credit access in developing economies, going beyond conventional methods with our human character-based lending. Our solutions, Crendly-Marketplace and Crendly-Check, promote financial inclusion and economic empowerment, benefiting communities at large.

Our Products

Unlocking Financial Inclusion with Crendly Score

Crendly Check empowers financial institutions with a deeper understanding of borrowers' potential, who often have limited or no credit history. This advanced SaaS tool transcends traditional credit assessments by

reducing risk for
institutions, expanding
the pool of credit worthy
borrowers, and fosters
healthy portfolio.
